HE CAME
TO MY SCHOOL
AS A PART-TIME
LECTURER

AND I LAST
SAW HIM
EIGHT YEARS
AGO AROUND
GRADUATION

I HAD NO USE
FOR DREAMS THAT
WOULD NEVER
COME TRUE

SO I DIDN'T
ALLOW MYSELF
TO GIVE A NAME
TO THE EMOTION
WHOSE EDGES
WERE BEING
GENTLY
FANNED

EVEN STILL
I'VE NEVER
BEEN ABLE
TO FORGET

THREE

I ONCE
MET THE MAN
I HAD NOT
BEEN ABLE
TO FORGET

I HAVEN'T YET
MANAGED TO
GET USED TO
THE LIFESTYLE

AND

I THINK
TO MYSELF
IF ONLY
IT WOULDN'T
HAPPEN
BUT...

HE'S GOING
TO HATE ME
FOR THIS ANY
DAY NOW

THAT WAS
QUANTITATIVE,
SO INTERESTING

WHY SO
COULD

*There's my

MAY I ASK
IF YOU'RE
MADE AN

DON'T WORRY
ABOUT IT. THERE'S
ACTUALLY SOMETHING I WANT TO
DISCUSS WITH
HIM.

COULD
YOU GET US

ALICE-KUN?

TAKING

OF SENSEI'S

NO
ANYTIME
TODAY IS
FINE

...LEAVE

MAYUMI-SAN
ON A DATE!
LOOKED LIKE
THEY WERE
HAVING FUN!

THAT'S RIGHT,
THAT'S RIGHT
I CAUGHT HIM
IN MOTORCARS
YESTERDAY!

RIGHT?

SUGAMA-
SAMA

WHAT?

RYUUBA-
SAMA AND
HIS WIFE.

I DIDN'T
KNOW
ANYTHING.

SEUNG-S

SCATTERBRAINED
RECENTLY—
I THOUGHT
SOMETHING
WAS UP!

I COULDN'T
DO ANYTHING.

THEY
JUST GREW
APART BECAUSE
MAYUMI-SAN WAS
ALWAYS BEING
TRANSFERRED FOR
PROSECUTION
WORK, YOU
KNOW.

AND IT WASN'T
LIKE THEY SPLIT
UP BECAUSE
THEY HATED
EACH OTHER.

SO THEIR
CHANCES
ARE
REALLY
GOOD.

HOW LAUGHABLE.

AND IF
OUR HANDS
TOUCH...

"YOU
ALL
RIGHT?"

MY
HEART
POUNDS
JUST BY
BEING
NEAR
HIM

I GET
NERVOUS
AND CLAM UP
JUST FROM
TALKING TO
HIM

LAUGHABLE...

WOULD
YOU LIKE
TO STEP OUT
WITH ME
FOR A BIT IF
THAT'S ALL
RIGHT?

KUDE-
KUD.

HAH?

I ALWAYS
HAVE YOU
WORK LATE
WITH ME.
WE SHOULD
TAKE A MOMENT
TO UNWIND EVERY
NOW AND THEN.
RIGHT?

IT'D ACTUALLY
LIKE TO GO
FOR A DRINK.

NO
GOODS?

JUST
THE FACT
THAT YOU'D
CONSIDER IT
IS ENOUGH.

IN THAT
CASE
THANKS
FOR THE
OFFER

AS IF
I COULD
TURN HIM
DOWN
WHEN
HE ASKS...

WHAT
DOES
HE
MEAN
NO
LOSER?

OK
OK

INVITED
BY SENIOR,
I DON'T
ANYONE
COULD
REFUSE...

ALTHOUGH IT'S
SURE TO MAKE

IT WAS AS IF THEY
WERE A MAGIC SPELL.

IT WAS THE
FIRST TIME, I
AND EVER OLD
THOUGHT WASH
TO SOMEONE
IN MY LIFE.

SO I WANT
SOMETHING TO
CONSIDER IT
PROPERLY.

I WON'T
KEEP YOU
WAITING
LONG.

BUT...
I HEARD
YOU WERE
REMARKABLY
SERIOUS.

I
HAVEN'T
BEEN
ABLE TO
RELAX
SINCE YOU
JOINED
THIS OFFICE.

YESTERDAY
I FINALLY
FELT IT
CAUGHT ON
TO THE
REASON
WHY...

WOULDN'T
BETTER OFF
CALLING US
"BAR BUDDIES"

INSTEAD
OF SAYING
I'M IN LOVE
WITH HER
OR HER

AND THAT
WOULDN'T
SUFFER FROM

Even now,  
he needs  
his stuffed  
rabbit to go

Komno-san  
seems to have  
been infatuated  
with cute things  
ever since he  
was a child.

Apparently,  
many previous  
lovers have left  
him in disgust  
over it.

There'd be no end  
to it if he bought  
them all. So we've  
come to a mutual  
agreement through  
eye contact. We're  
able to understand  
one another.

What a nice  
gesture it is.

Such a  
sweet gesture.

Whenever we're

thing that  
just puts  
me off...

Would  
you please  
do some-  
thing about  
that thing  
already?

Good-  
night,  
Yusai.

He's so  
cool and  
indifferent—  
the blemish  
on the  
pearl.

But I know  
there's no-  
thing I can  
do about it.  
I adore him.  
It's just—

Drop  
it.

However  
you cut  
it...

If I was  
going to  
drop it, I  
would have  
done it a  
long time  
ago...

'You're not getting any sleep tonight honey ♥'

...being the general idea.

Hahahaha

And it's the big anything-goes twentyseth.

That mole near your left eye is so erotic. It's really cool. ♡

Thank you. My lover really likes it too.

That's a big help.

Here.

Dinner's on me tonight.

I'll take a rain check today.

are you finished with that yet?

Kanno,

She doesn't know that Kanno-san has a woman he's head over heels for.

That's Rami from the secretarial department.

Thanks for a chat.

Hahahaha

It'd work if he were single!

This can't be allowed to go on.

You called it. ♥

Ahah.

Today's Yui-chan's birthday, isn't it? ♡

Gotta make sure it happens.

Gotta...

OK, better head to his office.

He would have taken a vacation day before he'd leave early.

...Which means he's probably still at work...

Hold on!

Hey!

I may even be able to get him to take me out for dinner!

Sorry! 'Bout time for me to go!

FWUMP

Who—?

You're leaving already?

Sorry, sorry! Thanks for tonight!

He doesn't look sorry at all.

For real. Did you see how happy he looked?

It's got to be a girlfriend.

Good lord.

Maybe he headed home early and is waiting for me now, everything taken cared of...

It's almost time for him to get off of work...

...You sure know how to let where it hurts, Konno-kun!

Hahahahaha

Call it a hobby

Ko—

There he is!

After all, you're one reason why I'm fighting with my wife.

Huh?

Then—

How about getting dinner with me?

feh

Still haven't made up with your wife?

Todo-san.

Ya.

Konno.

You're heading home pretty quickly.

That's thanks to my superior abilities.

I get my work finished during employment hours

Ooh!

I am...  
Absolutely  
being played—  
but...

Even so, you don't need to go out to dinner with him on my birthday, right?

Still...

He said you were the reason he was fighting with his wife...?

The one we met at first of your office.

Oh, Todo-san?

"One reason."

I wasn't going to.

You said you were!!

Huh. Hmm...

He ended up backing out on a promise he'd made with her.

A project we were working on last month got stalled at the 11th hour.

that he call his wife and explain things to her so they would make up.

You showed up just as I was going to suggest.

I never said I was going to.

Yes, and...

.....  
Really?

Really.

Uhhhhhh

Konno-san's addiction to cuteness.

Everything about you is cute. ♡

when you use my first name.

When you get jealous,

Ko-

Kan-

Here it comes...

But when he says it, he is enraptured by a dream...

But that it makes you happy to get called cute.

Who was that guy from before?!

I'm being fooled right now!!

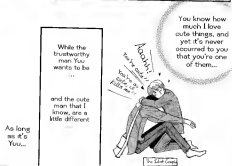

Wuh?

The moment he said it to me.

I can't really get angry...

Squee

ze

Huh?!

As  
long  
as it's  
Yuu—

more about Yamada Time-City anime's Chibi.

My feelings  
don't under-  
stand it...

Even while I  
theoretically  
understand...

that this  
is all in  
the past—

I'm so  
small~

HAA...

was the way  
Konno-san  
kept bragging  
every time he  
came in here.

You're a  
little idiot,  
aren't  
you...

But—

What  
surprised  
me the  
most,

If I keep  
this up,

Konno-san  
is going to  
continue  
treating me  
like a kid...

Whoa! it's  
eating at  
you?

Konno-chan's  
always been bad  
at showing his  
emotions, right?

I  
mean,

Yeah, well,  
good enough  
that I was  
jealous of  
them, yeah.

And I would  
have been  
willing to help  
mediate if they'd  
only asked...

Well,

If I have to  
say one way or  
the other, Tanakura-  
chan was always  
the more forward  
of the two.

An old  
flame...

Konno-san's  
past that I  
don't know  
about...

I wonder if  
Konno-san  
whispered  
love words  
in his ears  
before he  
did mine...

He touched  
Konno-san  
before me,  
kissed him,  
had sex  
with him...

Take good care of Toru.

You don't have to tell me that.

I'm going to make Kanno-san happy. Don't you worry!

On

Bunny-chan!

Who?

He only started being that direct and open, after he started dating you.

Get lost!

Oh, what's wrong with just touching him?!

Kanno-san...

I told you not to lay a finger on him.

Oh, sorry.

Your name's Yuki, right?

That's just his way of communicating. Don't let it worry you.

You're not  
angry...?

Why  
would  
I be?

I'm  
not too  
worried  
about it.  
Neither  
is he...

And  
L...

I acted  
really  
weird  
towards  
Ren

But...  
I said some  
strange  
stuff...

You?

I never  
succeeded  
in doing  
anything  
in my life!

No  
Room!

What  
?!

Why  
are you  
walking  
behind  
me?

Tip  
Tap

I never meant to make him look like that.

STOP!

I don't think I've ever thought ...

about what I'd do if we broke up...

What'll I do if I just broke us up myself?

No,

I mean...

So today, he wanted to make sure it was over.

He said he was still a little hung up on me after we'd broken up.

WHAT?!

the morning

Not that that really makes me feel better...

So does that mean he wasn't worried about me?

But it looks like he's put me behind him now...

What do you mean, still "hung up" on you?

What indeed?

As cool as ever...

I'm such an idiot!

I'm sorry!

That's not what I meant to say.

You don't have to think about it!

I'm sorry!

So if we ever break up,

will you put me behind you too?

Does...

This is complicated!

He's getting married next month, after all.

I think about  
the stuffed  
animal that  
should be  
sitting there.

Whenever  
I walk past  
that store,  
I'll probably  
think about  
you every  
time...

And pray  
for you to be  
happy the  
whole while.

End

I've been  
waiting to  
meet you.

Really, all  
this time.

I wanted to  
be happy too.

Still,  
when I  
looked at  
your happy  
face,

That whole  
'marriage'  
thing was  
an excuse...

Sorry I didn't manage to give Kite-chan even very longish work. I think he probably ate the part of the distinguished lawyer to a T somewhere where I can't see him do it. Jaap

Windoo!

I originally intended to pen an adult, elite, gorgeous boss that I'd told her before I knew it, it devolved into a poorer fesh and wonding lawyer story (By magic?)

The color leaf is a picture of Kono-san comforting Yaa, who's come home after getting in a massive fight at work. Konda looks like he's in a high school uniform, doesn't it? \* Which is why I had him in his school clothes for the special chapter

Somebody tell me I look much better looking than crying!

I wrote the Bunsan-chan story four years ago. It's actually linked over so slightly to the Your Honest Decent world.

Kaze-san

I meant to draw a Y'd Power Link Like 'Oh! power' to He's got downed a team center. That would be Saxon at the end of his burning gaze, of course! There are the signs of a kamaiti (S.D.)

To my supervisor Haraguchi-san, Yaa, Goro-san, Sano-san, Gachan, and Miki, who helped me see such a bunch of stuff. And to Gachan-sensei and Kono-san for telling me about links. I could see for reasons—thank you to it, which I had to my family, although I don't plan on showing them this (S.D.)

Please please let me know your thoughts!

I worked away at #2 every day, and before I knew it, I had enough to turn into a book. It also looks like we'll be publishing Your Honest Decent #2... [soon from DO!]  
[Well it really came to pass—?]  
Characters like a detective who didn't show up in this book, is likely to appear so please look forward to that, if you're so inclined.

Please send your thoughts to Editorial, Editorial Dept. Windoo, San Floor, San Building, No. 6, 6-25-11, Aomori-cho, Saitama, Tokyo, Japan 171-0021

# Afterword

I gave Kite-chan even a prototype cast on the first ever color illustration. It made him look like an "after-may" of the after-may.

My apologies to anyone who said this book stunk. A new story is behind me and I'm over.

(I wonder if there are any of you and there...)

Hello everyone. My name is Sakura Ajimura. Thank you very much for reading this far.

\*Author: Afterword: Sakura Ajimura. To correspond to the original for the English version, I changed it to My Little in the English version.
